## **Corrigendum-2 to the Notification dtd. 12.10.2020**

In the Notification dtd. 12.10.2020, procedure for making application for Architecture Counseling was notified followed by commencement of Registration along with document upload etc. wherein four Tie Breaking rules were also mentioned.

At this point, it may be understood that in the JEE Paper-2 only Mathematics is tested, whereas, in NATA, Physics, Chemistry combined together with Mathematics is tested.

Since there is no similarity and that there is no clarity provided by the Testing Agencies, the 2nd Tie Breaker rule (i.e. considering marks in Aptitude + Maths) cannot be applied in case of a Tie in scores.

This matter was discussed in detail with the experts and also with the concerned authorities and it is decided that the following will be the new rules for breaking the tie for announcing the ranks for Architecture counseling:

- 1) Higher % of marks in Arch Entrance exam
- 2) Higher % of marks in Drawing Test
- 3) Elder candidate to be ranked higher

All other terms and conditions set out in the Counseling Process Document published on 10.09.2020 and subsequent notifications shall prevail to the extent not contrary to this notification. Candidates are requested to check the website ([www.comedk.org](http://www.comedk.org)) regularly for all the updates.
