

Date: 24.01.2012

KIND ATTENTION:- PGET-2012 CANDIDATES

Production of acceptable Photo ID proofs during the Entrance Test.

The Test Admission Tickets (TAT) for PGET 2012 have been dispatched to all the eligible candidates for writing the Test on 12th February, 2012 between 2.30 PM and 5.30 PM. Candidates who have not received TAT may get the Test Centre details by applicant – log in after entering the application number and date of birth; the Test Centres are authorised to issue duplicate Test Admission Tickets either one hour earlier to Test commencement or a day prior to the Test Date.

At page 24 of COMEDK Brochure vide notification Dtd. 12.12.2011 (available on the Website) it has been indicated that “**failure to provide acceptable identification when asked for**” would be one of the grounds for dismissal of a candidate from a Test session. It is therefore in the interest of the candidates that they should attend the test with acceptable Photo Identification. The following are the acceptable Photo Identifications:-

- 1) PAN Card issued prior to 13th January 2012 i.e. the last date for making application to the test.
- 2) Driving License issued prior to 13th January, 2012.
- 3) Running Savings Bank Account Passbook with Photo issued by a Bank/Post Office prior to 13th January, 2012 (Photo attested by the Bank Manager/Post Master)
- 4) Service Identity Card issued prior to 13th January, 2012 by State/Central Government, Public Sector Undertakings, Local Bodies, Public Limited Companies with photographs.
- 5) Passport.
- 6) Voter ID issued by the Election Commission of India.
- 7) Photo ID Card issued by the Institution last attended with the signature of the issuing authority across the photo of the candidate.

The candidates are **compulsorily required to bring any one** of the above Photo ID Proofs. As the photo ID proofs would be entered in the records of the COMEDK, the candidates **should bring the same ID proofs during counselling also** which he has produced at the time of writing the test for cross verification.
