The Principals of all Medical Colleges

Who are members of COMEDK

In spite of clear request to depute two responsible officers to make spot admission, considering the time constraint, some of the principal have unfortunately not done so. Hence the candidates allocated to such colleges are deemed to have been admitted as on 31/05/2011 and accordingly we are informing the Rajiv Gandhi University of Health Sciences and Medical Council of India with the list of allocated candidates. The colleges are requested to take similar action.

Yours faithfully,

Chief Executive, COMEDK
