NOTIFICATION

COMEDK UGET – 2024 FOR ENGINEERING COURSES

Vide Notification dtd. 23.09.2023, the examination date for the Under Graduate Entrance Test 2024 (UGET 2024) for Engineering Courses was announced as 12th May 2024. The last date of application was 05.04.2024 which was extended twice up to 4.30 PM of 10.04.2024.

While announcing the examination, it was planned to conduct the examination in two sessions (i.e. morning & afternoon) to provide quality infrastructure and atmosphere for the candidates to participate in the exam. Because of the policy decisions of the COMEDK, more number of candidates have chosen to participate in the UGET 2024. However, because of intervening General Elections, there has been shortage of the test centers with good computer systems and infrastructure because of which it is not possible to conduct the UGET 2024 in two sessions.

Therefore, after elaborate discussions and to provide good computer systems to the applicants, it is now decided that the UGET 2024 will be conducted in three sessions which is as follows:

1) Morning session - **8.30 am to 11.30 am**

2) Afternoon session - **1 pm to 4 pm**

3) Evening session - **5.30 pm to 8.30 pm**

This change is brought to the notice of the applicants in advance so that they can make suitable travelling arrangements for attending the examination.

All other terms & conditions brought out in the Examination Brochure dtd. 01.02.2024 and subsequent notification/s prevail to the extent not contrary to this notification.

The candidates are required to check the website for all the updates. It may be noted that "www.comedk.org" is the only official website of the Consortium and COMEDK is not responsible for information available on other websites / elsewhere.
