I have not received an answer to my email

Candidates are advised to regularly check the website and the **Communication** tab in their login for the latest updates and schedules. If the information you are seeking is already available there, you will not receive a reply to your email. Please refrain from repeatedly calling the helpdesk or sending multiple emails on the same query that is already available. Doing so may delay our response to other candidates who require urgent assistance.

When is Mock Round choice filling for B. Tech?

Mock Round Choice filling is available from July 11, 4Pm to July 13, 4PM. Please check the website and communication tab. For all updates during the entire counselling process candidates should check www.comedk.org. Click on "Counselling Details" - then click on Round 1 Counselling Schedule for Engineering on the left side menu for complete schedule of each round.

PREPARATORY WORK AT HOME BEFORE CHOICE FILLING

Candidates are advised to do enough preparatory work at home before starting the CHOICE FILLING process. Some of the guiding factors can be;

- Your choice of stream, college and preference order
- Referring to Cut off Ranks of earlier year
- Whether you come under any category? (Applicable only for Karnataka candidates for lower eligibility & Kalyana Karnataka seats)
- Research on Choice of college, its faculty, location, results of the previous years, infrastructure, placements and availability of good hostel facility-please also visit the AICTE, College Website for details on colleges etc.
- Read through the Counselling Process Document 2026, notifications and instruction on www.comedk.org carefully for the criteria followed by the computer on allotment of seats.
- Discuss with your parents and family members before finalizing your options/choices.
- Please note that any minor error in entering the college or course in CHOICE FILLING form can result in loss of seat that you may be interested in /deserve. Hence candidates are advised to recheck the saved preferences after completing CHOICE FILLING.

How many choices can I fill in choice filling?

You can enter as many choices or preferences in the choice filling form as you would like:

- a) as per your desired college b) as per your desired course

There is no limitation on the maximum number of choices that can be entered in choice filling form.

Please ensure to add only those colleges that you are sure to join

Only SAVED choices will be considered.

How to do choice filling?

- The candidates are advised to enter all the options based on which they are intending to select the seats.
- Candidates have to recheck the preference numbers for all the colleges and courses in 'selected Preferences" section as the seat matrix may change in the subsequent rounds i.e. by way of Seat Cancellations, newly sanctioned seats etc.
- Candidates and their parents/ guardians are advised NOT to start entering the preferences directly on the online choice filling tab on the internet without preparatory work on choice of options, as it may lead to committing mistakes / wrong entries / wrong order of preferences.
- In order to avoid last minute rush candidates are advised not to wait till the last day/moment and COMEDK will not be responsible for any network related problems.
- **CAUTION: Candidates who do not complete Choice Filling during Choice Filling period of Round 1 will not be considered for any further COMEDK rounds.**

- Preferences recorded and saved by the candidates up to the last date and time of the notified schedule in each round will be frozen and will be considered for allotment of seats.
- Candidates have to fill in their choices of colleges and courses within the prescribed time
- Candidates can add as many preferences as they wish as per college or as per course
- Candidate can Add/Modify/Reorder their college/courses selected any number of times, except the seat that has already been allotted.
- Candidates have to enter all the options/preferences that they are interested in at the time of CHOICE FILLING, as per schedule. The candidates are requested to take a print out of their selected and saved choices after confirming them.

How is allotment done?

Based on your rank and based on your choices filled in Choice filling form you will be allotted only one college as per preferences entered by you in choice filling form and as per seat availability.

Preference No.1 in choice filling form is considered as your 1st preference. Preference number 2 in your choice filling form is considered as your next preference and so on and so forth.

For each preference that is entered by the candidate, the system will check for availability of seats. If the seats are not available for that particular preference entered by the candidate, then the system will look at seats in the next preference entered by the candidate in the same order.

Please refer to the counselling process document available on COMEDK website to understand how the system will allot seats.

Not done mock choice filling

If you have not done Mock Choice Filling, you can still take part in COMEDK choice filling during the Round 1 choice filling period.

Please note if your choice filling form is "BLANK" at the end of Round1 Choice Filling period then you will not be considered for any further rounds of COMEDK.

How to check mock allotment results?

- Click on "Decision Making" Tab in Applicant Login
- Scroll Down to view Mock Results. Check College, course and Preference Order Number allotted
- In case you wish to modify your selected preferences, please click on "Close" button on top of the page and click on "CHOICE FILLING" Tab
- Modify (i.e. ADD/REMOVE/REORDER) your preferences, if needed, and click on "save" button. Take print of saved options for your reference.

Use laptop/desktop only to check allotment results

Please note you will not find any decision button for Mock Result.

Round 1 Choice Filling

After Mock allotment Result is announced, you can start editing your choice filling for Round 1. If you do not make any changes to your Mock choice filling choice filling done in Mock Round will be considered for allotment.

Else Choice filling done/edited in Round 1 will be considered for Round 1 allotment.

Please note if your choice filling form is blank at the end of Round 1 choice filling then you will not be considered for any further rounds of COMEDK counselling

Some colleges and courses are not reflecting in the seat matrix of the current year why?

If a college or course is not available in the Seat Availability, it means the college or course is not part of COMEDK Counselling 2026. Only colleges and course mentioned in the Final Seat Availability & Fee chart is available for candidates to choose.

How many rounds of counselling will be conducted?

There will be 4 Rounds of counselling.

Please note Round 2 is for KKR category approved candidates only.
