NOTIFICATION

Sub: COMEDK Medical / Dental Counseling 2016 – Cutoff rank and percentage of marks during the past five years – reg.

COMEDK has already issued notification inviting application for participation in Medical / Dental Counseling 2016 pursuant to NEET results. A good number of candidates are requesting to notify early the cutoff rank during the past three years and the percentage score so as to get an idea of their chances of getting a seat through COMEDK process and to make travel plans or otherwise for attending the counseling. Even though COMEDK has not conducted entrance test during 2016-17, all the earlier tests of COMEDK were on **all India basis, almost on the lines of NEET 2016** and the maximum score prescribed by COMEDK in these tests for PCB were 180. In response to the request made by the candidates, cutoff rank and the percentage score of the cutoff rank based on which the last seat was picked up by the candidate during the past five years i.e. from 2011-12 are notified as Annexure to this notification.

COMEDK advises the aspiring Medical candidates to keep the above details in view before making any travel and other arrangements **so as to avoid any disappointment.**
