PROCESS FOR VERIFICATION

The candidates will be issued token at the entry gate to Mangala Mantapa, NMKRV College for Women. Eligible candidates who have completed payment can attend the document verification on the specified date along with all mandatory documents. Candidates will be allowed inside the verification hall for document verification based on the token number issued at the venue. Entry will be based on the token numbers being announced at the entry gate. The candidate has to be available at the entry gate where announcement for token number is being made, so as to ensure that he/she does not miss the chance to enter the hall for verification. In case, any candidate misses his or her chance to enter the hall, when his/her respective token number is being called, he or she needs to take a fresh token number and wait for the new number to be called. Candidates are advised to attend document verification as early as possible in order to avoid last minute rush at the venue.

All other process and guidelines will be as mentioned in counselling process document and notifications on www.comedk.org
