NOTIFICATION

Sub: Revised process for conduct of second extended round for Engineering courses

Complying with the orders of the Hon'ble Admission Overseeing Committee to conduct an extended second round of counseling for the candidates who are otherwise out of reckoning, COMEDK vide its notification dtd. 28.07.2017 had prescribed the process and announced the schedule for the said conduct of extended second round of counseling.

Now, citing innumerable representations and appeals received from the parents and their wards the Committee is of the opinion that this process would lead to a situation where less meritorious candidates who have opportunity of exercising their option in concerning those seats even though those seats ought to have rightfully gone to students who have opted for the same in the first place but have given no option to upgrade and seek allotment of those seats and has directed the COMEDK to throw open the option also to the students who have already accepted the allotment at the second round to upgrade and extended the time till 5th August 2017 for COMEDK to carry out this exercise.

Following the directions of the Hon'ble Admission Overseeing Committee, COMEDK withdraws its earlier process for conduct of second extended round and will continue the process followed for second round for upgrading the seats in extended round also. In view of the above, it is hereby informed that all the candidates who have participated in second round counseling are made eligible to participate in extended second round and the allotment will be made based on the options already made by them which will be as follows:

- 1) The candidates who were under upgrade option during 2nd Round (whether accept & upgrade or reject & upgrade) they will have option to reorder, delete or add a new option, not exceeding the number of options entered above the seat allotted to them. In case of any up-gradation for the candidates who are holding a seat, the earlier allotted seat automatically gets cancelled and will be allotted to other candidates based on merit. In such situation, the tuition fee paid by these candidates will be adjusted to the newly allotted college.
- 2) The candidates who have not been allotted any seats in Round 2, they will not have any limit for entering options. If these candidates get an allotment, these candidates have to pay the entire tuition fee at college level since there is shortage of time.

Please note ,the allotment for this round will be purely based on general merit seats as notified in COMEDK website as on 28th July 2017.

Keeping in view the paucity of time, the candidates who are allotted a seat in the second extended round of counseling are required to report to the allotted college on or before 7th August 2017 for document verification and complete the admission formalities.

The schedule and procedure for the extended round will be published on COMEDK website by evening of 31st July 2017 and the candidates are required to refer to the COMEDK website www.comedk.org for all updates.
