CORRIGENDUM
TO NOTIFICATION DTD. 30.07.2017

While announcing the revised process for conduct of second extended round for Engineering courses, it was informed that in case of any up- gradation for the candidates who are holding a seat, the earlier allotted seat automatically gets cancelled and will be allotted to other candidates based on merit. In such situation, the tuition fee paid by these candidates will be adjusted to the newly allotted college. Subsequently, a lot of candidates/parents are asking whether the tuition fee paid at college level would be adjusted by COMEDK.

In this regard, it is made clear that only the tuition fee paid at COMEDK i.e. ₹55,000/- would be adjusted to the newly allotted college and not the fee paid at college level since it differs from college to college.

To address this, the Hon'ble Admission Overseeing Committee has already issued directions to the colleges that in case the candidates who are allotted an upgraded seat in the extended second round of counseling, their fees paid at college level along with the original documents have to be returned without any further ado from the earlier allotted college.(Order from the Admission Overseeing Committee enclosed which has been circulated to all colleges)

In view of the above, the candidates may approach the concerned colleges for getting back their fees as well as original documents.

Sir,

Sub: Return of original documents and the fees paid at college level.

Ref: Notification issued by COMED-K dated 30.07.2017 and the
extended Second Round revised schedule and process

One of the consequences of the proposed revised Second Round and now undertaken by the COMED-K would be that candidates, who have accepted the seats allotted to them at the Second Round but who have now been permitted to participate in the extended Second Round may opt for and be selected to an upgraded seat, in which event the candidates, who had paid the fees would be entitled to refund by the respective colleges.

This Authority would make it clear that such refund will be given without any further ado. Any complaint in this regard would be viewed seriously and strict action shall be taken against such college which may dither in refunding the fees and return the original documents to the candidate.

ADMISSION OVERSIGHT COMMITTEE

Apart from this Authority taking action, any such errant college would also be liable for action through the University Grants Commission as there are Regulations in place to address such circumstances. This missive is issued in order to avoid any inconvenience or hardship to the student community.
