ABOUT COMEDK

COMEDK is the “Consortium of Medical, Engineering and Dental Colleges of Karnataka”, an autonomous institution consisting of senior academicians and reputed administrative officers who have been associated with educational ecosystem. This autonomous COMEDK was entrusted the responsibility to organize testing procedures to determine the merit of aspiring students in an effective, fair, transparent and non - exploitative procedure by KPCF (Karnataka Professional Colleges Foundation – Medical & Dental) and KUPECA (Karnataka Unaided Private Engineering Colleges Association). By this, COMEDK has been serving 16 Medical, 24 Dental and around 190 Engineering Colleges. COMEDK, since its inception in 2004 - 05, has been conducting the annual entrance exam for Undergraduate and Postgraduate courses in the member institutions and has also been organizing single window centralized counselling process over the last 15 years. In all these years, the efforts of COMEDK have been appreciated by all the Government appointed Admission Overseeing Committees and also been mentioned by the Hon’ble Supreme Court as the model examination.

Subsequent to the National Eligibility - cum - Entrance Test (NEET) being mandated as the only acceptable entrance exam for admission to medical and dental courses in the country, COMEDK continues the evaluation process for the members of KUPECA i.e. around 150 Engineering colleges. For the current academic year 2021 - 22, COMEDK would conduct an online examination all over India on Sunday, June 20th 2021, across 400 plus test centres for engineering programs. The counselling process following the exam would offer around 20,000 seats.

ELIGIBILITY CRITERIA for UG Engineering Courses

- A) The qualifying examinations prescribed for admission for B.E. are second PUC or 10+2 Higher Secondary or equivalent examination recognized by State / Central Government; the last two years of study shall comprise of Physics, Chemistry and Mathematics with English as a compulsory subject.
